Subject: Printing Coordinator for the Statewide Printing Program

Due to upcoming changes in web management/development and workloads with the reconnection to the Internet, Mary Lou West, State Printing Specialist, will be highly involved during the next few months converting/importing our BLM-California web site to the new software, training of field office webmasters, and establishing policy/procedures for electronic publishing.

AJ Ajitsingh of the External Affairs staff will provide printing coordination during this period. All requests for printing through the Government Printing Office should be directed to AJ Ajitsingh at (916) 978-4614 or e-mail AJ_Ajitsingh@ca.blm.gov.

We will continue to provide high quality assistance for your print and electronic publishing requirements.
